Division of Undergraduate Education (DUE)

***STEP 2013: Identifying Best Practices***

**Science, Technology, Engineering, and Mathematics Talent Expansion Program (STEP)  
2013 Grantees Meeting**

March 14-15, 2013  
Marriott Wardman Park  
Washington, D.C.

**Poster Session Organizer**

**Poster Session Layout**

Each poster is identified by its "cluster ID" and its number within the cluster (e.g., BP-09 refers to poster 9 in the "Bridge Programs" cluster). Posters will be organized spatially by cluster in Exhibit Hall C. Maps of the poster arrangement are posted at the entrance of the hall.

Posters/Abstracts submitted after March 7 are not listed in the poster organizer or on the poster map. If you are bringing a poster that was submitted after the deadline, please use the spaces designated for extra posters. Late posters may still be submitted electronically via STEPcentral.net.

This year there are two poster sessions. Both are on Thursday, March 14:

|                  | Time           | Posters Presented |
|------------------|----------------|-------------------|
| Poster Session A | 2:00 - 3:15 PM | Odd numbers       |
| Poster Session B | 5:00 - 6:15 PM | Even numbers      |

This year's organizer is an abbreviated version of the one used in previous years. We encourage you to use the tools for sorting and filtering posters available online on STEPcentral.net to assist you further in finding posters of specific interest. In particular, you can search for posters by keyword, by institution type, and by disciplinary focus.
